

# Open Door Small Group

*Wednesday 8.00pm (weekly)  
41 Grange Road, Radbrook*

The focus of our time together is study and discussion around God's word, which is based on the current sermon series. I guess you could say we are an older cross section (without admitting to being old!), perhaps having as much to say about grandchildren as children. We have a particular heart for those in our church fellowship whose spouses do not come to church, with which situation several of our number can empathise.

We end each session with prayer, admitting that it is never long enough, but also acknowledging that we see God answering prayer and helping us to grow both in our individual and corporate journeys.
