

Hereford Road Small Group

*Wednesday 8.00pm (fortnightly)
24 Hereford Road, Meole Brace*

We want to see our faith deepen and are committed to meeting together as we help each other in that process. We use a variety of materials including the Sermon series notes and have also used various other books. Each member of the group is encouraged to have a "This is your life" evening when we find out more about them and where they are in their faith journey. The group consists of mixed ages and gender who support and encourage one another along with having fun and enjoyment.

As a group we organize the Open Mic night in the Trinity Centre once a month which is great fun and provides a way to invite friends along as a first step into Church life.
