

## **Welcome Space Small Group**

*Fridays 12.30-2pm (fortnightly, term-time)  
Cloister Room of the Trinity Centre.*

We are a small group for women. We have a core of members who aim to make most group times but also welcome some women who come when they are able or when they need to – without feeling guilty about the ones they miss! Life is busy and we aim to provide space amongst the busyness – to study God's Word, pray and 'be'. Our aim is that God will meet us in that space and inspire us afresh so that the group times are life-giving and affirming, rather than just another meeting to fit in!
