

## **Women of the Word Small Group**

*Fridays, term time 10.30am – 12.00pm  
Trinity Centre, Meole Brace*

Women of the Word is aimed at the mothers of pre-school children. We therefore contribute towards the running of a crèche for our children. Our group probably faces greater time restrictions than most others, but in an hour and a half we have time for fellowship, a Bible study and to pray for each other. The children have the opportunity to build deep friendships with one another and to pray together. Once a month we host Little Buds Toddler Church which is advertised through Church toddler groups and around the Village, and pre-schoolers and their carers explore a Bible story through craft, games and a short service before lunch is provided for the children.
