

## **The Circle:**

**for young adult disciples**

*Tuesdays, 7.30pm –*

*23 The Crescent, Town Walls, Shrews. SY1 1TH*

Circle was an idea given to me during summer 2012, that I should start a small group aimed at young adults who had either moved to Shrewsbury for work, had returned to Shrewsbury after university or had stayed here while others left. It's a place where adults of a similar age can meet to hang out, worship, together deepen our relationship with God, as well as have a good laugh, get to know each other and form friendships. We all meet at my house, drink tea, read the Bible and discuss topics (usually from study guides that I prepare) and pray with and for each other. Then we occasionally go for 'socials,' such as a meal or drinks in town.
